

Bike Sales and Building your Own Bike

Low Cost Transport

New Start offers low cost transport by refurbishing donated bikes and then selling them at modest prices.

We hold regular sales of quality refurbished bikes with 28 days parts warranty. Our next Sale is Saturday, 7th August 2010! 10 am - 1pm @ the Bikes Workshop (Highland Slaters, Carsegate Road) We also run 'Build your Own Bike' courses, which are accessible to anyone. Please call 01463 715615 for mre information.

What do we do ?

We refurbish donated bikes whilst teaching skills in how to build and maintain a bike. 6 day courses are accessible to anyone.

Evening Classes will be starting again shortly.

Please contact bikes@newstarthighland.org for more information.

Why ?

Our values reflect supporting people to realise their potential and also to take care of the environment where possible. Cycling has numerous health benefits and is a very low cost source of transport.

Where are we ?

Our workshop is located next to Highland Slaters on Carsegate Road.

Directions: From Friars' Bridge West roundabout go past Aldi, heading towards Beauly along Telford St. Turn right (3rd exit) at the next roundabout, just before the canal bridge. Take first left at the mini roundabout just after the Co-op. After 300m, take the first left opposite Kia motors. Turn left again immediately and you'll find us 100m down on the right, at the end of the cul de sac.
